

Community Giving Grant Application

Overview

NorthCountry Federal Credit Union's grant program offers funding to 501(c)3 and 501(c)19 non-profit organizations* in northern Vermont and its neighboring counties for programs and projects that help provide the tools and opportunities for communities and their members to thrive and experience safe, enriched lives.

*Not a 501(c)3 or 501(c)19? Check the section below. If you think you may qualify, please reach out to communitygiving@northcountry.org to discuss your inquiry.

Funding Principles

When considering requests, we look for projects and initiatives that remove the barriers to health, wealth, and a sense of community.

We are unable to provide funding for:

- Religious, political, advocacy, for-profit or labor organizations
- Individuals (checks must be made payable to a qualifying non-profit)
- Organizations with missions that conflict with corporate guidelines
- Operating funds (utilities, payroll, employee benefits, dues, etc.)
- Conference travel/dining/entertainment/etc. for organization staff
- Private education
- Private day care centers

Grant Decision Criteria

Our employee-run NorthCountry Cares Committee, our Board of Directors, and our Branch Managers carefully review grant requests. Our expectations vary by project. Requests are evaluated on:

- Degree of benefit to the population
- Realistic goals of project
- Effective use of funding
- Measurable results
- Impact and reach in the community
- Visibility of NorthCountry's support to the community

Completed applications can be emailed (below), dropped at a branch, or mailed to:
